PROGRAM OBJECTIVES

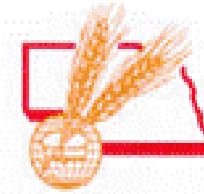

The Nebraska Wheat Growers Association is proudly offering this fifth in a series of educational events to wheat producers in Nebraska. Nebraska wheat is widely recognized in the industry for its consistent high quality, versatility and reliability. As producers, it is important to stay abreast of all the factors that can optimize your operation. We hope you will take this opportunity to enhance your knowledge of wheat production in Nebraska and issues involving our industry.

MEETING TIMES AND LOCATIONS

The Nebraska Wheat Growers Association (NWGA) will meet Tuesday, March 9 from 1-5 pm at the Nebraska Wheat offices in the State Office Building, 501 Centennial Mall South, Lincoln. The Nebraska Wheat Board (NWB) will meet on Wednesday, March 10 beginning at noon and continue through 3:00 pm on Thursday March 11. The NWB meeting will be held at the Holiday Inn- Downtown located at 141 N 9th St in Lincoln, NE. All meetings are free and open to the public.

REGISTRATION

Please return your registration no later than **Monday, March 8, 2010**. You can mail, fax or email your registration to our office.

The Nebraska Wheat Growers Association is committed to representing the interests of Nebraska's wheat producers.

DETAILS, DETAILS

Registration is **FREE**.

This event is **FREE**.

Lunch is **FREE**. (with pre-registration)

The information to benefit your operation and the wheat industry is **PRICELESS**.

Please take a moment and register for this fifth in a series of educational events designed for the wheat producer in Nebraska and brought to you by the Nebraska Wheat Growers Association.

This series of educational events is designed to provide Nebraska's wheat producers current topical information to enhance their knowledge of industry trends and crop production. The events will be held at various locations throughout the state and will occur in conjunction with NWB and NWGA meetings.
